友通資訊-衝突金屬政策

友通資訊支持國際社會對衝突金屬的抵制活動，並參照 OECD 盡職調查指南與供應商合作，展開衝突金屬調查，防止以直接或間接方式採購自剛果民主共和國與其毗鄰國家武裝團體或投入濫用人權之衝突礦產，以確保其金屬採購符合社會及環境責任。

Desire for Innovation

The Conflict Minerals Policy for DFI Corporation

DFI Corporation supports the international community's efforts to boycott conflict minerals. In collaboration with suppliers, we conduct conflict minerals investigations in accordance with the OECD Due Diligence Guidance to prevent the direct or indirect procurement of conflict minerals sourced from armed groups in the Democratic Republic of the Congo and its neighboring countries or those linked to human rights abuses. This ensures that our metal procurement aligns with social and environmental responsibility.
